

Denso BHT-7500 Terminal Hand Held Computer

Источник (официальный сайт denso-wave.com не публикует открытый datasheet для этой снятой с производства модели, руководство доступно только зарегистрированным пользователям QBdirect; характеристики приведены по дистрибьютору): <http://umd.com.au/itd/products/bht7500.html>

Controller CPU: 32-bit RISC

Memory: 8.5MB (User file area: 6.5MB)

Display resolution: 160 x 159 dots

Display device: FSTN dot matrix liquid crystal display (LCD)

Backlight: Yes (Electroluminescent)

Scanner: Laser pointer, scanning area up to 520mm (20 inches)

Readable bar codes: EAN-13/-8, UPC-A/-E, UPC/EAN with supplemental codes, CODABAR, CODE 39, CODE 93, ITF, CODE 128, STF, EAN 128

Resolution: 0.127mm (4.9 mils)

Reading confirmation: 2-color LED (red & green), beeper, vibrator

Keypad: 30 keys (incl. power key), 2 magic keys, 2 trigger switches

Communications:

Optical I/F: Infrared (IrDA-SIR 1.0), 115.2Kbps max, approx 0.8m

Cable I/F: RS-232C, 115.2kbps max

Power supply: Lithium-ion battery cartridge or 2x AA alkaline batteries

Weight: Approx. 280g

Operating temperature: -5°C to 50°C

Drip-proof: JIS drip-proof II

Drop impact strength: 1.2m onto concrete floor
